

## Estimating/Project Coordinator Internship at a Construction Company in New York, NY

Host Company ID: I-0421359

**Internship Duration:** 6 months (*meal and transportation stipend provided*)

### Company:

We are an award winning New York City General Contractor that takes great pride in our work. We provide our clients with terrific value: excellent, high-quality work at a reasonable price coupled with outstanding customer service.

We specialize in meeting demanding budgets and deadlines and are available to our clients twenty four hours a day, seven days a week. King Rose is dedicated to a level of service that is unmatched, while our attention to detail and reliability ensure we exceed our clients' expectations on every project. We provide guaranteed fixed prices and schedules on all projects, while maintaining a clean work environment that utilizes environmentally - friendly Green construction products and methodologies.

### Internship Position:

An intern in this role will assist the senior estimating staff to research methods and material, gather proposals from sub-contractors and obtain quotes from vendors. The intern will also maintain material inventory lists and create material assemblies to be used in construction estimating.

### Requirements:

- students of Architecture, Business and Mathematics
- Blue print reading
- onscreen takeoff
- MS Excel
- good English language skills
