

Business Development & Marketing
at an International Business Network (San Diego, CA)

Host Company ID: I-0422254

Internship Length: 12 months max., starting in mid-November

Compensation: Unpaid - based on the quality of the work done, we give a bonus.

Company:

Our mission is to help French companies and entrepreneurs establish their businesses in Southern California, in addition to facilitating successful partnerships between French and American companies.

Thanks to our network and wide range of corporate and individual services, we are a valuable partner in your project.

The bilingual, bicultural professionals that are the basis of our association come from a broad variety of sectors including law, tax & accounting, public relations, advertising, real estate, recruiting and more.

Our services include market research, customized tours, incorporation, office leasing, relocation, recruitment, partner identification, advertising, web marketing, event planning, and business matchmaking.

Internship Position:

This is a Marketing & Business Development internship.

Tasks include:

- Market research
- Cold calls
- Event organization
- Setting up meetings

Requirements:

Excellent English skills, French recommended but not required
