

Finance (M&A) Internship at a Financial Consulting Company in Atlanta, GA

Host Company ID: I-0521308

Internship Duration: 6-12 months, starting summer 2016 (*stipend included*)

Company:

We are a boutique Atlanta based Mergers & Acquisitions and Corporate Finance Advisory Firm, providing independent economic and financial advice and execution services for lower middle market companies valued up to \$50 Million.

Internship Position:

This is an internship in Finance and candidates will be working on several large Mergers & Acquisitions (M&A) projects.

Our needs do fluctuate, though, and we may have tasks in other areas or projects as well, such as

- preparing, analyzing and explaining historical and projected financial information including DCF and LBO modeling analysis
- coordinating and performing business due diligence
- preparing confidential memoranda, management presentations, marketing pitches and other presentations
- valuing companies and businesses

Requirements:

- very good English skills
- a background in Finance
- first experience in Mergers & Acquisitions (M&A)
- trained on Microsoft Office products including Excel, Word, Outlook, Power Point and proficient at database research
- independent self-starter
