

Branding Internship in the Fashion & Luxury Industry in New York, NY

Host Company ID: I-0420237

Internship Duration: 4-6 months (*unpaid*)

Company:

Our company has extensive experience working with contemporary, high-fashion and luxury consumer brands, bringing them to worldwide acceptance and recognition while driving companies to dramatic growth and rapid increase in profitability.

We actively engage with each project and are in tune with the brand identity and customize a unique marketing approach. In addition, our range of operation extends from sales, digital communication, to complete in-house support.

We are a strategic platform offering global support for brands while introducing and managing their projects in North America.

Internship Position:

The internship will encompass tasks in the following fields, depending on the intern's individual background:

- Business Development
- Management
- Logistics
- Commerce
- Sales
